

# JET TRAILER

Trailer compatto per unità idrodinamiche  
*Compact trailer for hydrodynamic units*

**MASTERFLUID**  
Urban Cleaning Equipment

# JET TRAILER

**Il Jet Trailer è un'unità idrodinamica mobile e compatta, adatta per lo spurgo professionale e la pulizia di condotte e fognature.**

*The Jet Trailer is an hydrodynamic unit mobile and compact, suitable for professional unblocking and for cleaning of drains and sewers.*

## PRINCIPALI CAMPI DI IMPIEGO › MAIN FIELDS OF APPLICATION

### CIVILE › CIVIL

Lavaggio facciate, monumenti, autostrade, ponti, prove idrodinamiche, scarica cemento

*Cleaning of walls, monuments, highways, bridges, hydrodynamic tests, concrete hydro-ripping*

### NAVALE › SHIPYARD

Lavaggio carene, ancore, riscaldatori, idrosabbatura.

*Cleaning of hulls, anchor chains, boilers, sandblasting*

### ALIMENTARE › FOOD INDUSTRY

Lavaggio macchine, contenitori, silos, scambiatori di calore.

*Cleaning of machinery, tanks, silos, heat exchangers*

### MUNICIPALE › MUNICIPAL

Pulizia e spurgo canalizzazioni, lavaggio strade, manutenzione automezzi pubblici.

*Canal jet and cleaning of sewers, street washing, public transportation maintenance*

### MILITARE › MILITARY

Lavaggio veicoli, carri, superfici in genere, pulizia piste aeroportuali.

*Vehicles cleaning, surface cleaning, derubbing of airport runways*

### URBANO › URBAN

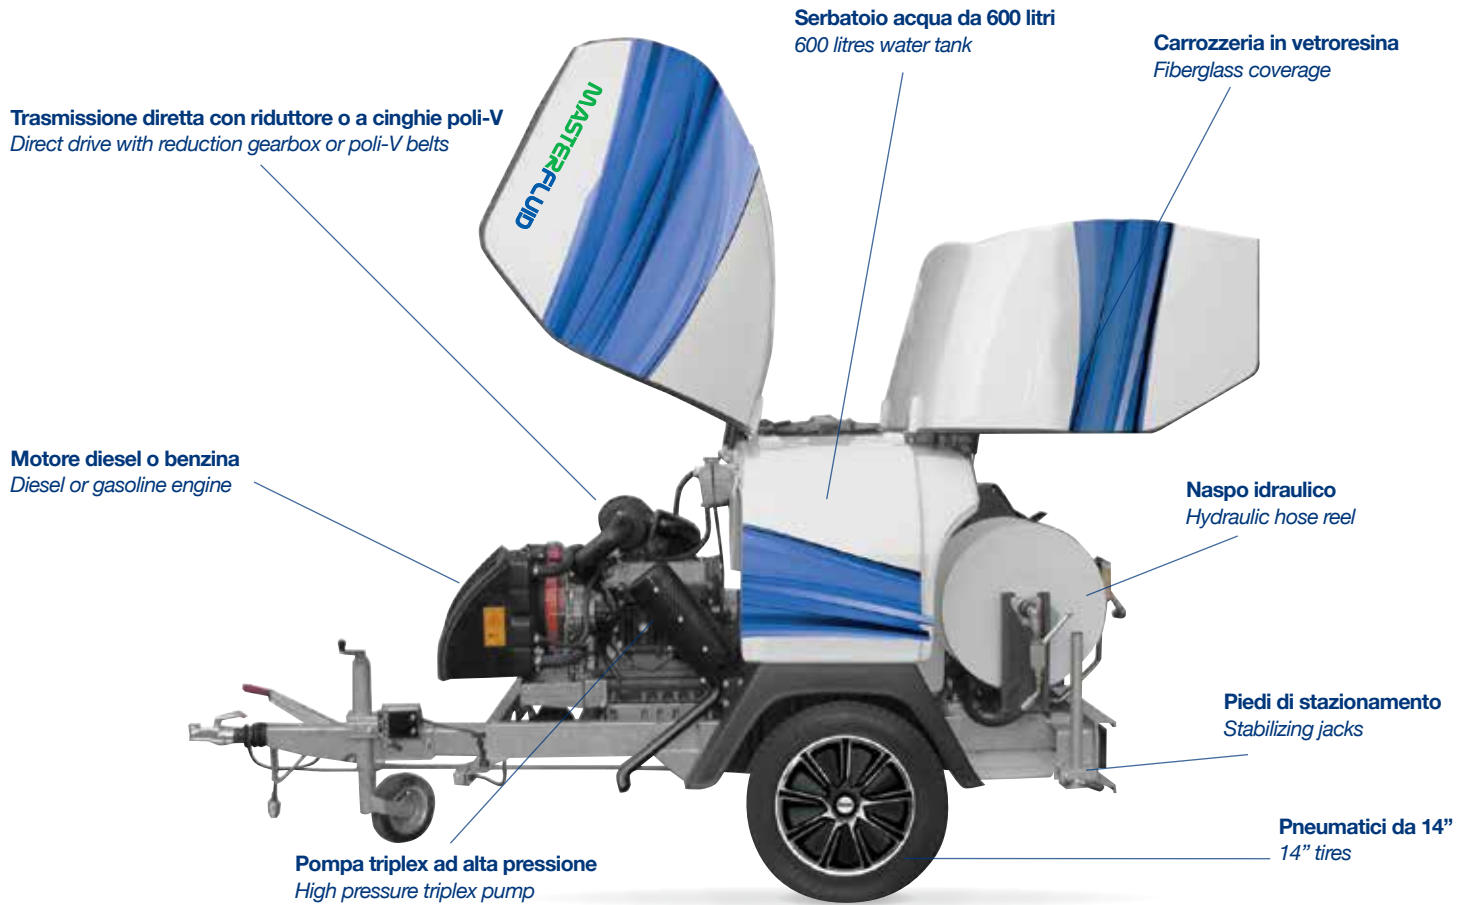

Rimozione di chewing-gum e graffiti, pulizia di strade e murature

*Chewing-gum and graffiti removal, streets and walls cleaning*

# JET TRAILER

## CARATTERISTICHE TECNICHE › TECHNICAL FEATURES

## PARTE ANTERIORE › FRONT

**Motore diesel, caldaia, pompa alta pressione.**

*Diesel engine, boiler, high pressure pump.*

## PARTE POSTERIORE › REAR

**Pannello di controllo, portance, naspo alta pressione manuale con guida tubo manuale, naspo di riempimento manuale, piedi stabilizzatori.**

*Control panel, lance holder, high pressure hose with manually wound hose reel, fill-up hose with manually wound hose reel, stabilizing feet.*
